In Today's workplace environment it is critical to know who you are hiring to avoid problem employees.

TMAP Backgrounds specializes in pre-employment background screenings to assist employers in preventing employment issues, such as: workplace violence, employee theft, falsified applications, drug use, and overlooked criminal and sex offender histories, resulting in lower turnover and reducing employer's exposure to negligent hiring liability. We understand the needs of, and work closely with, corporate human resource departments, school districts, business owners, landlords, and others.

Based in Southern California, we are dedicated to maintaining the highest level of legal and ethical standards. Each report is carefully evaluated before being released to the client and is prepared with an emphasis on detail, confidentiality and is fully compliant with State and Federal Laws.
